INFORMATION REGARDING APPLICATION FOR AN ELIZABETH STONE EDUCATIONAL FUND STUDENT LOAN

1. The Elizabeth Stone Educational Fund is a loan program. All monies are required to be repaid and interest is charged on the loans.
2. The Student Borrower represents and warrants to the Elizabeth Stone Educational Fund that he/she (a) is a graduate of a high school located within Christian County, Trigg County, or Todd County in Kentucky, (b) is a recipient of a GED from an educational institution located within the above counties, or (c) has attended the Hopkinsville Community College for at least one year. The Student Borrower must have a "C" average on his/her high school work. If the Student Borrower is presently enrolled in college, he/she must have a cumulative GPA of 2.00 or better based on a 4-point system. **Official transcripts are required.**
3. If the Student Borrower qualifies for other financial aid (such as scholarships, federal or state loans, grants and work study), these funds must first be applied toward educational expenses. Application is made to the Elizabeth Stone Educational Fund for loan proceeds to cover any remaining unpaid expenses.
4. The application must contain complete information and transcripts to be processed. The Trustees of the Fund interview first-time borrowers.
5. Two co-makers are required to sign the Promissory Note and Loan Agreement with the Student Borrower for any loan approved. Credit reports are obtained on prospective co-makers.
6. Funds received from the Elizabeth Stone Educational Fund must be used solely for educational expenses related to attendance at the school named and for the academic period indicated in the application.
7. The rate of interest charged on the loan while the Student Borrower is enrolled as a fulltime student is 1% APR, and interest is due semiannually.
8. The Student Borrower must be a fulltime student (carrying 12 hours or more) in order to not be required to pay on the principal of the loan.
9. Upon maturity of the Promissory Note or upon cessation of fulltime schooling (for any reason), the Student Borrower must contact the Elizabeth Stone Educational Fund to arrange for repayment of his/her loan. The Student Borrower (with acceptable co-makers) may execute a Consolidation Promissory Note to provide for monthly repayment. The repayment period will not exceed 1.5 years times the number of years the Student Borrower was previously enrolled as a fulltime student utilizing funds borrowed from the Elizabeth Stone Educational Fund.

The present rate of interest for the monthly repayment plan is 5% APR. The rate is variable.
